CRESCENT
FOUNDRY

CRESCENT
FOUN

Dear Sir,

Established in 1982, we feel pleasure introducing ourselves as one of the leading ISO 9001 certified manufacturer exporter with a successful legacy in the manufacture of quality castings in grey cast iron and ductile iron with a combined annual capacity of 50000 metric tons shared between 2 Factories in West Bengal. To cater to the ever-increasing demand for the iron casting products globally, Crescent Foundry has made a further Investment worth USD 8 Million into a state of the art fully automatic high pressure molding foundry producing quality Industrial Castings in Western part of India.

By virtue of our commitment towards quality and delivery we have established a global clientele encompassing over 38 countries in USA, Canada, Americas, Europe, GCC, Far & South East, CIS and Oceania. Crescent Manhole Cover is a well-recognized brand in all GCC countries and is approved with municipalities and utility companies, thus having a branch office in Dubai (U.A.E.) catering to our premium GCC clientele for their castings requirements. Crescent has supplied 3 Tons Marine Ballast & Elevator Counterweights to some of the countries in European Union. Our Tree Grates has been installed at USA, Singapore and Helsinki. We are the only leading company from India supplying Gas & Airtight Manhole Covers to Airports and Seaports across India, Qatar, Australia and New Zealand.

In a nutshell, we can provide you an enviable advantage with Cast Iron and Ductile made castings at a competitive price to meet your casting requirements.

Our products are used in the following sectors:

Municipal Castings	Channel Grate-Manhole Cover Frame for Roads-Telecom Gas & Airtight Covers for Airports & Ports
Decorative Castings	Bollards - Tree Grates
Agricultural Castings	Roller Rings
Industrial Castings	Fly Wheels-Flanges-Break Drums-Surface Box Counterweights for Marine Ballast-Elevators-Cranes-Railways

Quality assurance is the most important activity and is valued by all our clients; therefore CRESCENT has certification in ISO 9001:2008 (Bureau VERITAS), ISO14001:2004 (BSI), OHSAS18001:2007, KITE MARK (BSI, UK), S-MARK (Bureau VERITAS, NZ), MPA (Germany), ICIM (Italy).
